Dear Parents or Carers

Tempest School Photographs

The pupils will be coming home this week with their individual photograph proof and order forms. In order for the photographs to be back in time for Christmas, the deadline for return of the orders into school is **Friday 8th November**. After this date, photographs can still be ordered directly from Tempest Photography but there will be an extra charge for postage and packing.

Any sibling shots will also be coming home with the eldest child.

Pupils in Years 11, 12 and 13 also had their whole year group photos taken and these can be viewed prior to ordering at www.tempest-groups.co.uk. To view the images, please type the school name into the search box and select the relevant file. You will then be prompted to enter a password which is 120144. If you would like to order a group and an individual shot, details and prices are on the back of the individual order form.

All orders can be returned to Reception or the relevant key stage office.

Kind regards

The Piggott School
