Headteacher Mrs R Alexander

Specialist Science Technician (Chemistry)

9.00am – 3.00pm, term time only, not including INSET days
Flexibility may be possible – to be discussed at interview
Salary Grade 4 (£25,584 - £27,269 FTE)
Actual Salary For 30 Hours Per Week £15,900 – £16,947

An opportunity has arisen for a Specialist Science Technician (Chemistry) to join our school community. The successful candidate will have previous school laboratory or chemistry experience and the ability to support all science subjects up to Key Stage 5.

You will be responsible for the preparation and organization of equipment and materials for all classes. The science department is forward thinking and fast moving and you will need energy and enthusiasm to take on this role. Additionally, you will need to have good ICT skills and the ability to communicate with a wide range of people, both verbally and in writing.

For further information please see the job description and person specification on our website.

To apply please complete a support staff application form which can be found on the website at www.piggottschool.org and e-mail to vacancies@piggottschool.org

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All posts are subject to Satisfactory Disclosure Clearance. Online checks and a 'prohibition from teaching' check will be completed for all applicants. The school reserves the right to close this advert early in the event that sufficient applications have been received.

Closing date: 10am on Monday, 1 September 2024
