Charvil Piggott Primary School
January to March 2018
After School Club

Dear Parent/Guardian,

First Soccer runs a successful After School Futsal session at Charvil Piggott.

Futsal is an indoor sport which originated in Argentina. It is a version of indoor football, encouraging quick feet, lots of skills and fast decision making. We do all of our Futsal to upbeat music, encouraging players to touch the ball in time with the beat of the music.

We believe maximising ball touches will hugely help develop the individual. All sessions involve players with a ball each, setting personal targets with no added pressure of others watching. Our coaching method has been very successful in other areas with over 70 children now training within pro club academies from our coaching programme.

Talented players will have the opportunity to trial at our Development Centre where if they impress can lead to trials at Pro Clubs.

These courses will be running in the school hall, will last for 1 hour and are open to boys and girls.

Players will be required to wear either a PE Kit or Football kit. We would recommend wearing trainers and shin pads.

If a session is cancelled for any reason we will try to make up time whenever possible.
