# CHELSEA FC FOUNDATION GIRLS FOOTBALL DEVELOPMENT PROGRAMME

Chelsea FC Foundation are delighted to present a new and exciting girls football development programme, for female players who have a talent and passion for football. The course is designed to provide professional coaching and training, with first class academic teaching and learning.

Providing our players with the skills to be able to become a professional player and the qualifications and knowledge to either, support entry into university or provide immediate employment opportunities within the sports industry. Based at the highly respected Piggott School in Wargrave Berkshire.

## FIRST CLASS COACHING WITH FIRST CLASS EDUCATION

- 2 year vocational course
- Bespoke educational package to suit your academic ability and interests including: A-Levels, Cam Tech, BTEC or GCSE qualifications
- Opportunities to train at Chelsea FC's training pitches in Cobham and attend events at the stadium
- FA level 1, Level 2 and the Goalkeeping Level 1 coaching awards
- Full sized 3G football pitch and a state of the art fitness club and computer suite
- Led by experienced FA coaches and ex-professional players
- Represent Chelsea FC Foundation team and play competitive matches.
