

January 2019

Dear Parent / Carer

I have written to your son / daughter to invite them to the GCSE certificates presentation evening set for Thursday 17th January 2019. The evening, to take place in the Library from 6:30pm, is in recognition of the students' hard work and achievements in their GCSE examinations. It is the perfect environment in which to receive their valuable, hard-earned certificates, which they will need to present as part of any future higher education and employment applications. I shall be delighted on the night to introduce as our guest speaker Dr Stephanie Hare (<https://www.harebrain.co/>).

I have asked your son / daughter to kindly confirm their attendance by emailing an RSVP before Tuesday 15th January 2019, with the number of seats required, to exams@piggottschool.org, with 'GCSE Cert Eve RSVP' and their name in the subject title. Regrettably, due to space restrictions, places are limited to two per family (student + 2 guests).

I look forward to welcoming you to the celebration event.

Yours sincerely

Mr T Griffith
Deputy Headteacher
