

## THE PIGGOTT SCHOOL Charvil Piggott Primary School

### Disadvantaged Pupils Action and Impact Plan 2019-2020

Introduced in 2011, the Pupil Premium is additional funding given to publicly funded schools in England to address potential inequalities in achievement and attainment for vulnerable children and ensure provision of opportunities in line with their peers. Pupil premium funding is paid to schools according to the number of statutory aged pupils who have been:

- registered as eligible for free school meals (FSM) at any point in the last 6 years (also known as **Ever 6** measure)
- children of parents serving in the armed forces at any point in the last 5 years (known as the **Ever 5** measure)
- looked after for 1 day or more or were adopted from care on or after 30 December 2005

In the 2018-2019 financial year, schools will receive £1,320 for each primary-aged pupil eligible for FSM at any point in the last 6 years, £2,300 for each 'looked-after' child and £300 for each child with a parent serving in the army or having served at any point since 2011 (Ever 5 Service child)

Schools are free to spend Pupil Premium as they see fit. However, schools will be held accountable for how we have used this funding to support achievement for pupils from low income families and we are required to publish details about this spending on our website. This will ensure that parents and others are made aware of the impact of the support and opportunities delivered as a result of the funding. For Looked After children, the funding is held by the local authority and they allocated it to pupils in accordance with their own policies.

**Eligible pupils academic year 2019-2020**

Pupils on roll	208	Number of pupils eligible for Pupil Premium (Services)	0
Number of pupils eligible for Pupil Premium (FSM)	13	Number of pupils eligible for Pupil Premium Plus (Looked after or Adopted into care)	6
