September 2020

Dear Parents,

It will soon be time for you to choose a secondary school for your child. Current restrictions mean you and your child will unfortunately not be able to visit the school to see the wonderful learning taking place every day. To show you life at The Piggott we have been hard at work creating the first ever Piggott School Virtual Open Evening.

From **Wednesday 30th September**, you are invited to enjoy our Virtual Open Evening via our website links. I encourage you to watch it together with your child. It will provide you with the opportunity to virtually tour our school, hear from our staff and pupils, and get a sense of our culture and community. You can access the virtual experience at anytime from 9am on this date.

We are sorry that we are unable to open our school gates to you this year, but we hope that the presentations will give you a flavour of our school and capture a snapshot of life at The Piggott.

On **Wednesday 7th October** and **Thursday 8th October** parents and pupils are invited to join a live Webinar that will offer a chance to ask some questions and interact with some members of the school community. This webinar will be a closed forum so if you would like to join one of the sessions, we invite you to register your interest via our school website.

I sincerely hope that you are able to watch the Virtual Open Evening and perhaps joins us on one of the webinars. You can also visit the school website for additional information such as academic performance and achievements.

Yours faithfully,

D J Gray
Headteacher
