5th January 2021

Dear Parents

Following the Prime Minister's announcement yesterday, school is now closed except for vulnerable children or the children of critical workers.

I understand the Secretary of State for Education is making a detailed announcement tomorrow regarding examinations. This will be further to the PM's announcement yesterday that "It's not fair for all exams to go ahead this summer as normal, and the Education Secretary will work with Ofqual to put in place alternative arrangements".

When I have received more clarity, I will share this with parents and children in regard to examinations.

If you plan for your child to attend our critical worker/ vulnerable child provision, please contact Mrs Thornton at thonrntonk@piggottschool.org

Lessons are now online for Years 7 to 13. Registration is at 8:45am, lesson 1 at 9:00am, Lesson 2 at 11:00am and Lesson 3 at 1:30pm.

If your child does not have adequate access to the internet, or a device with which to work, please contact your child's head of year.

The finance department will be sending out food vouchers to those families in receipt of free school meals. If your family is experiencing financial hardship, please do let school know via the pastoral teams so we can offer support.

The school will continue to set up a COVID Lateral Flow Device Testing Centre. Testing will be made available to staff, vulnerable children and critical worker children from next week.

Thank you for your many messages of support. I will write again over the next few days.

Yours faithfully

D J Gray
Headteacher
