It is important that all pupils discuss and confirm times and arrangements for these tests with their class teacher in each subject.

## Year 11 Assessment Window Timetable. March 2021

### Notes:

- 1) Core subjects (Mathematics, English, Science and RE) will have their TAG Tests during class time for other core subjects.
- 2) All English tests will take place in timetabled English lessons.
- 3) Physics (Friday 23<sup>rd</sup> April) takes place during Core PE time.
- 4) Whilst this timetable includes a wide range of TAG Tests – some ongoing, in class assessments may continue to run in parallel with these tests.
- 5) Tests will largely take place in normal classrooms. Pupils with specific access arrangements will be contacted – and the library may be used as a test venue for those pupils.
- 6) Some tests may run after 3pm, particularly if a pupil is entitled to extra time. Pupils should make arrangements to be collected from school at an appropriate time, once their test has finished if this is the case.
- 7) Tests taking place in W/C May 17<sup>th</sup> may take place in the exam hall – social distancing measure will be applied.
- 8) Arrangements for oral exams for MFL pupils will be shared directly by each class teacher. Some pupils MAY need to miss some lesson time from other subjects to complete this element of their test. No pupil will be asked to miss any other TAG Test to attend an MFL oral test.
- 9) The length of some of the tests in the timetable are flexible – and may vary slightly from the published time. Where this is the case, the class teacher will communicate times with each group accordingly.

It is important that all pupils discuss and confirm times and arrangements for these tests with their class teacher in each subject.
