4<sup>th</sup> November 2022

Dear Parents and Carers

The Piggott School hope that you and your family were able to enjoy some family time over the recent half-term break.

I am writing to you to highlight important resources that you will find very useful in helping to support your child's learning whilst at our school. **These will help you see how the curriculum for each subject is structured and delivered.**

All of the departments across the school have been working hard to ensure that their curricula are fully mapped in detail and with cross curricular links being highlighted. Each department has created a bespoke Learning Journey, curriculum vision and intent. These illustrative guides and summaries are designed to be used alongside the more in-depth Curriculum Maps that have been created for each subject area across the school.

These resources have been created for all work that is covered in Key Stage 3 across both the core and foundation subjects. For Key Stages 4 and 5 each subject has its own individual set of documents to highlight the work that will be covered over the course of that qualification.

Our staff have invested a significant amount of time, creativity and energy in producing and revising these documents for parents. The curriculum is always dynamic and so changes will be made and so these resources will be updated regularly in future years.

In signposting you towards these documents we believe that you will be able to clearly see what your child is learning and when they are due to cover each aspect of the curriculum. **These resources will help you to support your child's learning over the course of their time at The Piggott School.**

All documents can be accessed at:

<https://www.piggottschool.org/page/?title=Curriculum&pid=339>

Or by scanning this QR code:

Once the link has been clicked – please use the drop-down menu to select the subject whose documents you wish to access. Also present in this part of the school website are documents outlining the school’s wider Curriculum Intent, Implementation and Impact. This documentation explains how our curriculum offer is designed to provide a caring environment based on our Christian Vision and Values. Children are encouraged to help each other and to receive help when they need it, as exemplified by our school’s Christian Vision to ‘Go and do Likewise’, Luke 10:25-37, The Parable of the Good Samaritan.

As always, please do not hesitate to contact school if we can be of any help in supporting your child’s learning journey through the Piggott School.

Thank you for your ongoing support,

Alex MacLeod

Deputy Headteacher
