TIME HAS FLOWN...

Easter 2023 has arrived, and we've finished another term!

We've had a Smarties fundraising challenge, pizza parties, World Book Day celebration, Crème Eggs for staff and Easter Egg donations for Readifood...and a hugely successful first Spirit Night with the Haweli!

In really exciting news, we are finalising discussions with the school to provide funding for several new initiatives, helping them offer an even richer education for students. More news on that next term....

Finally, thanks so much to our volunteers and you - our community - for continually supporting School, and the PTA.

A PTA PERSPECTIVE

Rowena McMenamin – PTA Treasurer
I have been PTA treasurer for nearly a year now – how time flies! I wouldn't have said finance is a strong point for me, but I have enjoyed the challenge of taking on something different, and changing some of my self-beliefs! You never know 'til you try 😊. I really enjoy feeling closer to the school community and making a difference (though my Year 11 daughter thinks I am weird 😊).

We have a great crew and have achieved some awesome events for pupils and staff. It's also great to see where our fundraising is being channelled to improve the school.
