Charvil Chatterings

The Piggott School: Charvil Primary

No. 178

Dear Parents and Carers,

It has been an extremely busy week at school and as I write this and reflect on the week, I only feel a sense of pride and privilege to have led such a wonderful team and group of families. We will have to wait for final outcomes from the inspection team but the pupils and staff have really shown all of our School Christian Values in everything they have done this week.

Next week is Walk to School Week but we have only just received the information into school so apologies that this has not been well advertised until now. If your child is able to walk, bike, scoot or get to school under their own steam in some way, there will be information collected in school which helps us to reinforce the message around healthy, eco-friendly and sustainable travel. It is fully inclusive so those who may find walking longer distances more challenging due to disabilities or medical conditions or live a longer distance away could consider parking locally and walking the last part.

We all enjoyed the Coronation festivities last week and the Story Bus was a real success. So many wonderful activities took place on this day to celebrate the King's Coronation and a huge thank you goes to Mr Bhadye for coordinating these activities as well as all the teachers for their efforts and pupils for their enthusiasm.

Mr K Hillerton

Headteacher

The Piggott School: Charvil Primary

 Year 1— Tilly & Sadie
 Year 2 — Ruby & Jude
 Year 3— Mia & Arthur
 Year 4— Owen & George
 Year 5— Josh & Annie
 Year 6—Chloe & Spencer

ADMIT ONE

ADMIT ONE

The Bulletin Board

PE Days are as follows:

Monday:	Years 3, 4, and 6
Tuesday:	Year 5
Wednesday:	Years 1, 3, 4 and 6
Thursday:	Foundation, Year 2
Friday:	Years 1, 2, and 5

Please ensure your child comes to school in their PE kit. Thank you.

School Uniform:

We continue to receive reports of mislaid items of uniform. It is very easy for jumpers etc to go home with the wrong children unnoticed. **Please check that all items of uniform belong to you and return any that have gone home by mistake.** Please check that names are still legible too—ink can fade after washing and may need to be refreshed. Remember—if it is clearly named, it will make its way back to you eventually!

Earrings:

Earrings : One pair of small, stud earrings is permitted, but only if they can be removed by the pupil for PE. If the earrings can not be removed, the child will have to sit out of the lesson.

Lunches for School Trips

Did you know Aspens can provide packed lunches for school trips? Simply order one of the sandwich options online for the day of the trip. Please order packed lunches for trips at least 2 days in advance.

Remember that children cannot be served hot meals on school trips, so please change any existing hot food orders to sandwiches on trip days, or cancel the meal if you are providing a lunch from home.

All lunches are free for children in Foundation and KS1, and for those in receipt of free school meals.

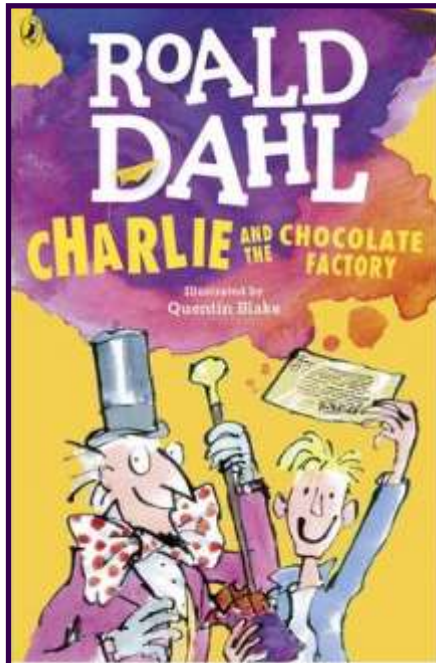

Reading Books:

Year 1 and Year 2 children are able to change their Reading Books any day, therefore if your child has finished their latest book please encourage them to choose another straight away.

Year 3, 4, 5 and 6 pupils need their Reading Books in school EVERY day.

Year 2—English

Year 2 have been reading Charlie and the Chocolate factory in class. During their English lessons they have been composing letters written from Willy Wonka to the lucky golden ticket winners.

Click on the link below to see their wonderful work.

https://www.piggottschool.org/_site/data/files/documents/ad%20hoc%20files/charvil/7214D4DCBD83D167EE5346F9C4E00513.pdf

Year 4—Poetry

Our Year 4 Class produced some beautiful and creative poetry in their English lessons last week.

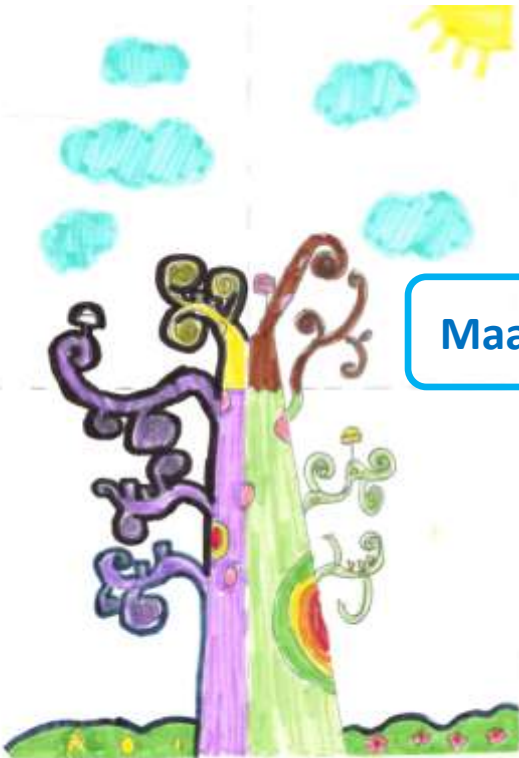

The children would love to share some of their work with you. Please click on the link below to see for yourself!

Year 4—RE

Maala

Isaac

I think it shows commitment to go and by you having to wait and be patient for good stuff to happen.

In my opinion I think it is important because it shows kindness and patience and love to give.

Alanna

In my opinion showing kindness to nature is good because we show it kindness.

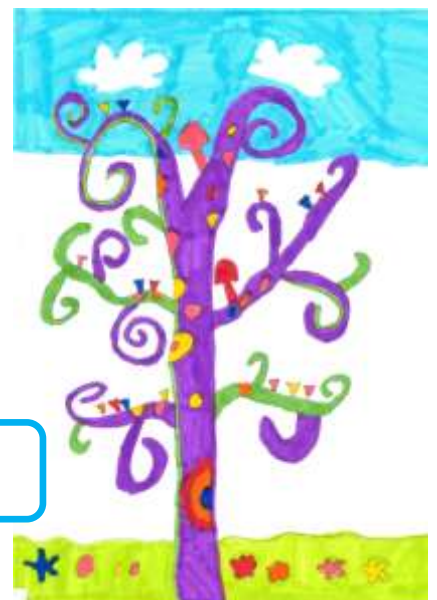

Mollie-Grace

Year 4 have been focussing their RE learning on the enquiry question, 'How do Jews show a commitment to God?' As part of this learning, they learnt about the holiday of Tu B'Shevat where Jewish people celebrate trees, fruit and new life in a variety of ways. They used the artwork of Gustav Klimt to design their own 'tree of life' as a celebration of this special holiday for Jewish people.

Julia

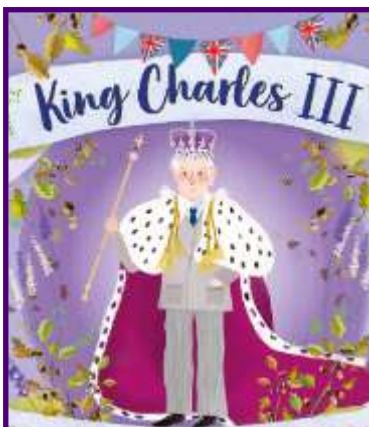

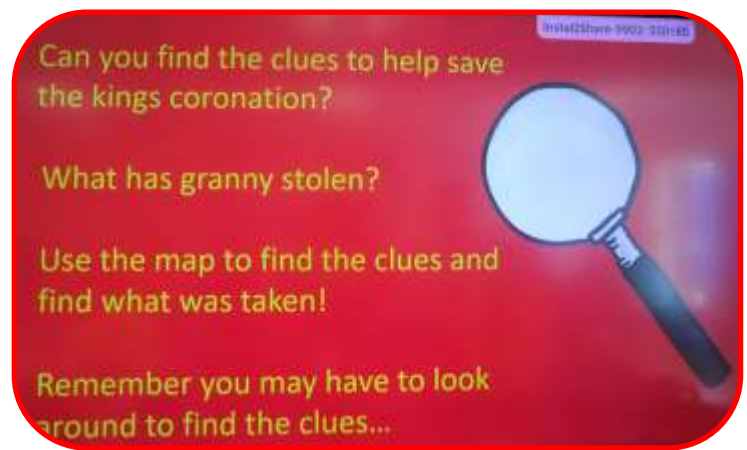

Coronation Celebrations!

Last Wednesday we had a wonderful day of celebration in school to mark the Coronation of Our Majesty, King Charles III.

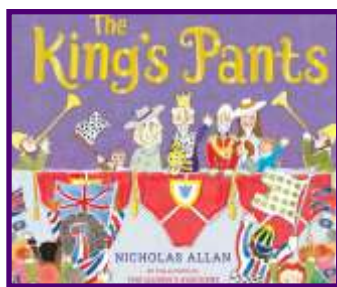

The children were so excited to board the fantastic story bus and be whisked off into a world of magical storytelling. A huge thank you to the CPSA for funding Once Upon a Story Bus, the children absolutely loved it!

The children had great fun taking part in a carousel of activities. They really enjoyed visiting the teachers in their different classrooms and taking part in the activities the teachers had planned for them. The school looked brilliant decorated in the bunting the children made.

A huge thank you to all the staff who made the day so special for the children to mark this momentous occasion!

Year 6 SATS

Well done to all our Year 6 pupils and Miss Kingsbury for completing their SATS this week. We are so proud of you all and hope you have a fantastic time on your residential trip next week.

The children enjoyed coming into school early for SATS breakfast.
Thank you to all staff who helped with this.

We would like to wish a very Happy Birthday to all our pupils celebrating their birthday in May!

HAPPY BIRTHDAY

Neha - Year 2
Stanley - Year 4
Henry - Year 3

T.R.H.A. Schools Newsletter No.2

May 2023

Dear Schools, school staff, children and parents

The TRHA Summer Show is on Saturday 10th June, Loddon Hall

Children's classes: Could you have a go at some of these at school or at home?

A decorated plant pot An arrangement of flowers in a toy

Make an edible necklace from vegetables or fruit Photo of helping in the garden

Your initials grown in cress A home-made crown

Details about how to enter them in the next newsletter!

Potato bags: keep looking after your potato bag: add more compost – it should be about $\frac{3}{4}$ full now. Keep in a warm, sunny position and water regularly.

I-Spy – Have walk around your garden / allotment/ park: e.g. how many different kinds of grass can you see; something beginning with each letter of the alphabet.

Growing idea: You don't have room for a veg plot at home? You could try buying a grow bag and use it to grow cherry tomatoes / spring onions / lettuce / beetroot. May is the month for sowing seeds – have a try with some bee friendly flower seeds.

Gardens open to the public: Forbury Gardens, Reading; Caversham Court Gardens; Langley Country Park, Slough; Dinton Pasture, Winnersh; NB check website for opening times/car parking charges.

Coronation Container : find a suitable container to fill with compost and add colourful plants. You could "upcycle" e.g. an old chest of drawers, a pair of old boots, an old wheelbarrow and place in your front garden.

It's **Hedgehog Awareness week in May**. Can you encourage a hedgehog to live in your home or school garden? They are a natural way of keeping down the number of slugs and snails! For ideas on how: <https://www.gardenersworld.com/how-to/diy/how-to-make-a-hedgehog-house/>
