

14th June 2023

Dear Parents and Carers

I wrote to you in April in regard to the planned change to our school uniform supplier following the re-tendering process in the Autumn term. I am pleased to be writing to you today with an update from our new provider. As planned, all of our uniform, including our new PE kit, is now being supplied by Stevensons. Please access their website in the normal way to view the new designs and browse the stock.

We will be slowly phasing out the current PE kit. Whilst we are excited for you to see, and feel, the quality of the new uniform, we are extremely mindful of the cost implications and remain empathetic to the importance of 'handing down' pre-loved uniform to family and friends in line with value for money. In addition to this, you may wish to access our PSA shop on the link below, containing a large stock of 'pre-loved' uniform.

Please accept this polite reminder that we have requested that school jumpers will no longer display the 'house' name, allowing for further opportunities for them to be 'handed down' to younger students. Unfortunately, Stevensons are unable to make this change until June 2024, so until this date, we have negotiated that all new school jumpers will be reduced to £10. We are also moving to a model of 'one tie', offering the opportunity for ties to be re-used by students of all ages.

Thank you for your ongoing support.

Yours faithfully

Mrs R Alexander

Deputy Headteacher
