Dear Staff, Parents and Carers

Following the formation of Agape Multi-Academy Trust and Mr Gray's appointment as CEO, the Trust Board has looked to appoint a permanent Headteacher for Wargrave.

We are very pleased to announce that Mrs Alexander has been appointed as Headteacher for The Piggott School: Wargrave Secondary.

Her application and interview last summer were truly first class. As expected, she has indeed exemplified the professionalism, dedication and commitment she is renowned for in her current post.

Mrs Alexander writes:

When I started teaching at The Piggott School in June 2016 as Deputy Head, I quickly realised that I was joining a very special school community. As a former Piggott student, growing up in a local village, I already had a deep loyalty and commitment to the school but it was the shared vision to provide a first-class education experience for all of our students that excited and motivated me in my leadership. Eight years later, it is with enormous pride and honour that I have been given the opportunity to continue to lead our school forward but in the position of Headteacher.

I feel privileged to work with the inspiring students, committed and hardworking colleagues and supportive families that we have in our school community. Leading our school is a responsibility that I will not take lightly and I am looking forward to working with all stakeholders to continue on a journey of improvement and strive for excellence in all that we do.

I am certain you will join us in congratulating Mrs Alexander on her well deserved promotion.

Yours faithfully

Mr Richard Thiele
Chair of Agape Multi-Academy Trust

Dr Barbara Zesik
Chair of the Local Governing Committee
