

8 July 2024

Dear Year 13 student

A Level / Level 3 Vocational Results Day

15 August 2024

Congratulations on the completion of your examinations this summer. I hope you are enjoying some well-deserved relaxation. Please find below some information regarding the arrangements for the results day in August 2024.

Practical arrangements for the dissemination of results

A Level and Level 3 vocational results will be available to students on Thursday 15 August from 9am.

Results can be collected from the Main Hall at this time. Collection will be in person (unless you have made prior arrangements with Mrs Middleton). Examination results will only be released to the named student on the statement of results.

As well as the opportunity to collect your results, you will be able to view your results on Exams Assists from 10am. Please ensure, in advance of this date, that you can access your emails. Due to data protection, results will be issued to students and will not be emailed to parents/carers.

Advice and guidance available to students

Support, advice, and guidance will be available on results day should you need it.

The school will be open to offer face to face support for students who require specific guidance for their next destination (college or university). Support will be available from 8:30am – 11am in the 6th form Common room.

Queries regarding your exam results

We are hoping you will be very pleased with your exam results but there is the option available to all candidates for review or appeal. All the guidance for review or appeal is on the school website, please follow the link below.

[The Piggott School - RESULTS - POST RESULTS SERVICES - CERTIFICATES](#)

All queries should be sent to exams@piggottschool.org. Some results may be time sensitive, so these queries will be prioritised in the first instance. The appeal and review process is available to all candidates who have received results this summer.

Certificate Collection

Certificates may be collected from reception from the week commencing Monday 9 December 2024 between the hours of 11am and 2pm on a drop in basis (please bring ID to prove your identity) until Friday 10 February 2025 (just before

Spring half term). After half term, certificates will be stored securely until Friday 18 July 2025 – please contact Reception in advance to arrange collection. After that date, all remaining certificates from the Summer 2024 exams series will be shredded; you would have to approach each exam board directly for replacement certificates, at a significant monetary cost.

I would like to take this opportunity to thank you for everything you have contributed to life at The Piggott School. We wish you well for the future, please do keep in touch and let us know how you are getting on. I hope you have a relaxing summer break.

Yours sincerely

Alex MacLeod
