Press Release: A Level & Level 3 Vocational Results – The Piggott School

The Piggott School is proud to announce another excellent set of A Level and Level 3 Vocational results. The students, and staff, have all worked exceptionally hard and this is reflected in the outstanding grades awarded.

With over 200 students entered, our A level pass rate was 99%.

32% of our results were graded at A*-A. 63 % of our results were graded at A*-B, and 84% graded A*-C.

The average point score per A level entry was 38 points, making the average grade a B.

Our Vocational Level 3 pass rate for Applied General qualifications was 100%, with Distinction Star to Merit being 80%.

Three of our students have secured places at Oxford and Cambridge, after achieving the very highest grades in their disciplines. We are excited for them to embark on this journey.

Emily Smith, Year 13, said 'I'm feeling very happy and relieved with my A*, A and B in Psychology, Maths and Biology. I am off to study Psychology at Bristol'. Stanislaw Mitan will also be going to university. He said 'I can't wait to celebrate my grades; I'm looking forward to going to Loughborough to study Business Management'.

Louie Shelton has chosen a different pathway, and he will be commencing a degree apprenticeship in Engineering with BMW. Huge congratulations to Louie for securing this position in a very competitive world.

I hope that our students will take time to recognise and celebrate their success, finding happiness and fulfilment in whatever the future holds for them. My thanks to all our teaching and support staff for their continued dedication and professionalism.

Mrs Rebecca Alexander

Headteacher
