Time has flown...

I can't believe we are at the end of the academic year, again! After over 2 years, I have decided to step down as PTA chair. It has been a privilege to be part of the team that restarted our PTA, and your support has made a significant impact on our school community. Departments have received equipment to enrich the student experience, and we've had so much fun along the way - pizza parties are now legendary and a brilliant way to celebrate student success. The Christmas Fayre is up and running again, and has bigger attendance every year. We've made technology work for us - online uniform shop, raffles, 5050 club - and since October 2021 we've raised £51,710.55 .

I am confident that with your ongoing involvement, our PTA will continue to flourish. I am pleased that Nikki will be the new Chair, she is enthusiastic and committed to continuing the positive momentum we've started.

Thanks, Harps

Just a quick hello from me...

Hi, everyone! I am Nikki Sangha, a parent of two children in Yr. 7 and Yr. 8. Stepping into the role of Chair my aim is to expand the PTA team and enhance the support we offer to our students and staff, all whilst enjoying the journey. If you are interested, please feel free to get in touch; we are a welcoming team excited to welcome new members!

I want to express my sincere thanks to Harps for her invaluable contributions to the PTA team. Her innovative fundraising ideas and dedication have significantly enhanced the school for students and staff. Harps, you will be greatly missed! Thank you, Nikki Sangha. (PTA@Piggottschool.org)

50/50 CLUB ENTRY

IMPORTANT INFORMATION

PTA Perspective from the kids..

“a huge thank you for your support and generosity with the Girls Academy end of season pizza party. The girls have had a fantastic season and it was a lovely way to celebrate their achievements “.

Mr A. Freeman

This year the PTA have paid for...

The PTA has been incredibly supportive of the school this year, providing a wide range of resources like extra laptops for students, an Air fryer, sports equipment, revision Jenga, and a timp for music, which was showcased at the summer concert. This list is just a glimpse, with other items such as books, stationery, and pizza parties also included.

The PTA played a key role in supporting our students by collaborating with BRIYM, a third-party organisation that delivers resilience skills training to help students effectively manage their emotions. Understanding the significance of these life skills, the PTA partially funded this program to benefit more students and reduce the waiting list, allowing us to assist students promptly.

None of these achievements would have been possible without the outstanding support from our parent community. We are truly grateful for your contribution in making a meaningful impact on the school.
